Re: Administrative Order Closure  
Docket No. SDWA-08-2004-0044  
PWS ID #UTAH03013

Dear Mr. Anderson:

This letter is to inform you of the Environmental Protection Agency's (EPA) decision to close the Administrative Order, Docket Number SDWA-08-2004-0044, issued to the Newton Water Users Association ("Newton") on November 18, 2004. Based on the information provided by Newton, EPA has decided that, notwithstanding the tardiness by which Newton complied with the lead/copper and public notice requirements, we will close the Order at this time.

Please be aware that you are still required to comply with the National Primary Drinking Water Regulations (NPDWR), 40 C.F.R. Part 141. Violation of the NPDWRs or an administrative order may subject you to a court-imposed injunction and penalties of up to \$32,500 per day of violation.

Thank you for your cooperation in resolving this issue. If you have any questions related to this matter, please call Kathelene Brainich of my staff at (800) 227-8917 X6481.

Sincerely,

Lisa Kahn, Team Lead  
Drinking Water Enforcement Program  
Office of Enforcement, Compliance  
and Environmental Justice
